ABOUT COLLEGE

SRDA girls' college was established by charitable, enlightened & philanthropists of Agrawal Society with the aim of empowering & equipping girls of local society & adjacent rural society with knowledge, skills & competency by providing them quality higher education. Affiliated to RMPSSU, Aligarh, college is a very prestigious & the only girls college of the city which is celebrating its golden jubilee this year. The college provides an excellent academic environment for all round development of students, to make them self-reliant & confident.

Various subjects are available for students under Arts, Languages, Social Sciences & Humanities and Commerce Faculty. Hindi, English, Education and Home Science are available at PG level. The college has a well-equipped library with modern facilities & about 50,000 books are available for reading.

The college has made many important achievements in academics, sports, cultural activities and other fields. The National Service Scheme unit and the Rangers unit are working in the college, which develops a sense of social service and love for nation among students.

ABOUT CITY

Hathras known as Braj ki dehri is a famous city of UP. Hathras was an industrial hub during British rule. Cotton mills, knives, the spice asafoetida or hing & desi ghee products were the main industries. Hathras is now notable for its holi colours & gulal, perfume, artificial moonga-moti pearls, garments & sweets.

Tourist attractions of the city are Hathras Fort, Mangalayatan Temple cum research center, Navagraha temple , Hanuman Temple & Kankali Devi Temple.

ABOUT ICSSR

The Indian Council of Social Science Research (ICSSR) is the national body overseeing research in the social sciences in India. It was established in New Delhi in 1969. It provides grants for projects, fellowships, international collaboration, capacity building, survey, publication etc. to promote research in Social Science in India.

CONCEPT NOTE

India is called the country of youth and it is a youth power which has the ability to bring any country from floor to sky. In the present time, the government is trying to make India a world guru again and this is possible only when our youth is capable, confident and skilled and the role of education is most important in the creation of such youths. Our new education policy aims to transform India into a vibrant knowledge society and global knowledge superpower by making education a more holistic, flexible & multidisciplinary suited to 21st century needs and aimed at bringing out the unique capabilities of each student.

National Education Policy has given us a tool to provide high-quality education to our youths according to their talents and choices. This seminar will provide a platform for faculty members, academicians & researchers to share their ideas and discuss the roadmap to implement NEP-2020 effectively.

OBJECTIVES

- Thorough understanding of the provisions & approaches for effective implementation of policy.
 - To find out ways, strategies & practices for making education more comprehensive, flexible, skill based, multidisciplinary & holistic to shape up future generations.
 - To find out/ discuss practical challenges to be encountered during implementation of the policy.
 - To bridge the gap between recommendation & implementation of NEP-2020.
-
